"Comedy, Magic and Illusions"

Based in Toronto | Close-Up Magic | Comedy Magic | Corporate Events | Mentalism

Biography

Aaron Paterson is one of the top corporate magicians in Toronto, performing comedy, magic and illusion shows shaped around the group in the room.

The custom stage show blends laughter with genuine astonishment: one corporate host remembered a crowd that "roared in laughter throughout the show", while another praised a tailored performance delivered with turn-key ease. For receptions there is cocktail and mingling entertainment, with Aaron circulating from group to group and leaving guests wondering how the tricks were done. An expert in event entertainment in Toronto and across Canada, he is a natural fit for corporate events, staff celebrations and private parties where the entertainment has to work for everyone present.
