Biography

Aaron Rabkin is the creator and star of Trickery, Chicago's intimate BYOB magic show in Lakeview. A former member of the Magic Castle's prestigious Junior Program, Aaron combines polished sleight of hand, sharp comedy and lively audience participation in a fast-paced experience designed to entertain believers and skeptics alike. Expect impossible predictions, surprising visual magic, the unusual talents of Hoppy the Psychic Wonder Bunny-and perhaps even the swallowing of a four-foot balloon.
