"Chepstow wedding and close-up magician"

Based in Bristol | Close-Up Magic | Corporate Events | Kids & Family

Biography

Adam Richards started out as a children's entertainer, including magic shows on Disney Cruise lines, and has been working as a magician for over 7 years since settling in Chepstow. He prides himself on the ability to perform to any age range, using magic to wow, astonish and entertain at functions of every kind, and has spent over 10 years experience working in events.

Guests get close up magic at arm's length, plenty of laughter and a performer who reads a room; one wedding party summed him up as fun, personable and very talented. He suits weddings, corporate parties and children's shows alike, and has even performed brilliantly over zoom for a company anniversary.
