

Adam Swaye

"Toronto close-up and stage magician"

Based in Toronto | Close-Up Magic | Corporate Events | Mentalism

Biography

Adam Swaye is a Toronto magician whose speciality is close-up magic performed inches from the guests, with strolling magic that happens right before their eyes.

His repertoire runs from intimate table and roving work to full stage shows, taking in interactive magic, mind reading and illusions, and each performance is tailored to the occasion. Adam has been booked repeatedly to entertain casino high rollers, whose organisers say his magic keeps them bringing him back time and time again. Private parties, weddings, Bar Mitzvahs, gala evenings, corporate events, trade shows and birthday celebrations across the Toronto area all suit the act, which adds an intimate, captivating thread of astonishment to a room rather than taking it over.
