

Adam Trent

"Three-time Broadway magician and TV star"

Based in Los Angeles | Close-Up Magic | Comedy Magic | Stage Illusion

Biography

Adam Trent is the only magician in the world to have starred on Broadway three separate times, and he has broken box office records at the Sydney Opera House, Radio City Music Hall and London's West End theatres. His own network television special, 'The Magic Maker', plays on ABC, Disney+ and Hulu, where it regularly trends.

Critics have struggled to file the act under anything familiar: The New York Times wrote "Seeing is disbelieving", the Associated Press called him "A long way from the stale magicians of the past", and GP4T Magazine described him as "Justin Timberlake meets David Copperfield". With over 15 million social media followers and 450 television appearances in the last few years alone, Trent has had more network TV time in the past five years than David Blaine, David Copperfield or Criss Angel.
