

Adrián Carratalá

"Fool Us magician and inventive theatrical creator"

Based in Petrer | Stage Magic

Biography

Adrián Carratalá is a Spanish magician, creator and Fool Us winner whose current official presentation is the collaborative brand Adrián Carratalá & Katerina. Their site offers theatre shows, corporate and private entertainment, speaking and master-of-ceremonies work, with an emphasis on original magical invention. The Fool Us ledger, however, bills Adrián alone in the relevant appearances. FindMagic can create the person profile, but should review how the current duo collaboration is represented before importing members or changing the display name.
