

Adrián Vega

"Spanish close-up magic for global audiences"

Close-Up Magic | Stage Magic

Biography

Adrián Vega is a Spanish magician who performs close-up and stage magic for audiences in theatres, at corporate and private events, and aboard cruise ships. His official website presents a polished, internationally oriented act built around close-range astonishment and larger live presentations. It also provides direct contact information for booking and production enquiries. The Fool Us ledger uses both accented and unaccented forms of his name, so Adrian Vega should be retained as a searchable alias.
