

Ady Lloyd

"London close-up magician and mind reader"

Based in London | Close-Up Magic | Comedy Magic | Corporate Events | Mentalism

Biography

Modern close-up magic and mind reading are Ady Lloyd's stock in trade: impossible moments made inches from the guests, funny, personal and unmistakably live. With over 20 years' experience as a London magician, he knows how to hold a room and involve the people in it, and he also performs a high-energy comedy magic and mind reading show for larger groups and stage settings.

At corporate events his magic breaks the ice and sparks conversation; at weddings it works between photos, through the drinks reception and around the tables at the wedding breakfast. Birthdays, private dinners, awards nights and mixed-age family celebrations suit him just as well, with entertainment that stays relaxed while still feeling impossible. Based in London, Ady performs across the UK and internationally.
