

AJ Sacco

"Award-winning Chicago event illusionist"

Based in Chicago | Close-Up Magic | Stage Illusion

Biography

Named The Best Magician in Chicago three years in a row by the Chicago Reader, AJ Sacco is an event illusionist with a modern approach, a charming demeanor and a diverse skill set that has taken his magic to more than 17 countries.

That range is what guests notice: illusions built for the room they are in, delivered with warmth rather than bluster, so a crowd feels drawn in rather than kept at arm's length. With hundreds of performances a year behind him, AJ works comfortably at corporate functions and private celebrations throughout the Chicago, IL metro area, and travels well beyond it.
