

Alan Chamo

"Bilingual English-Spanish corporate mentalist"

Based in Miami | Close-Up Magic | Corporate Events | Mentalism | Virtual Shows

Biography

With more than 20 years of experience and over 2,500 shows worldwide, Alan Chamo is a bilingual mentalist who performs fluently in English and Spanish and shapes every set to the audience in front of him. Brands including Royal Caribbean, Slack and McDonald's have booked him for live and virtual entertainment.

His work comes in three forms: high-energy stage mentalism that lands after dinner at corporate galas, fundraisers and private events; casual, up-close magic and mind-reading that breaks the ice at networking evenings, mixers and cocktail hours; and interactive virtual sessions hosted from his own professional Zoom studio for remote teams, conferences and online holiday parties. Throughout, guests are read, surprised and drawn into the act rather than left watching it.
