

Ale Hrdlika

"Rotterdam-based magic, juggling and contemporary circus"

Based in Rotterdam | Stage Magic

Biography

Ale Hrdlika is a Czech magician, juggler and contemporary-circus performer whose work explores object manipulation and visual live performance. His official site says he is originally from Prague and also based in Rotterdam, and it presents touring work for theatres as well as private and public events. A direct email is available for enquiries. Because the source describes two meaningful geographic connections, this export uses Rotterdam as the current base while retaining Prague in the evidence notes rather than treating it as a second residence.
