

Alex Si

"Brussels magician and mentalist"

Based in Brussels | Corporate Events | Kids & Family | MC / Event Host | Mentalism

Biography

A modern, elegant and artistic magician-mentalist based in Brussels, Alex Si specialises in magic that's up close and personal, creating an intimate space where magic literally happens in the guests' own hands. Far from clichés and card and coin tricks seen a thousand times, his performances combine astonishing magic with uplifting ideas, and even in larger venues he keeps that blend of wonder and intimacy.

He moves between tables at a restaurant or cocktail party, works as a magical emcee at conferences and symposiums, and leads audiences into the neuroscience behind magic. Private parties, weddings, birthdays, team building days and corporate events are shaped as tailor-made shows rather than a standardized package.
