

Alexander Krist

"Illusionist and stage magician"

Based in Munich

Biography

In the show Alexander Krist, nothing is as it seems: people vanish, objects appear out of nowhere, thoughts become reality, and time itself becomes the evening's greatest illusion.

The manner is personal, charming and approachable, always with a small surprise in reserve, while the spectacular moments on stage unfold live directly in front of the audience. It is an evening made for anyone who loves magic, and it works as easily for couples, families and groups of friends as it does for companies looking for something out of the ordinary.
