

Alexander Merk

"Berlin Fool Us winner for stage and close-up magic"

Based in Berlin | Close-Up Magic | Stage Illusion | Stage Magic

Biography

Alexander Merk is a Berlin-based professional magician who has performed full time since 2008. His official portrait describes work in both stage and close-up formats and records his winning appearance on Penn & Teller: Fool Us. Merk's presentation combines theatrical structure with direct audience encounters, making him relevant to both formal shows and event settings. His official site includes management and contact routes and identifies Berlin as his base, providing strong evidence for FindMagic's location and booking fields.
