"Ann Arbor magician and mentalist"

Close-Up Magic | Comedy Magic | Corporate Events | Mentalism

Biography

Alexander the Magician is a professional magician from Ann Arbor whose interactive shows blend magic, mentalism, misdirection and mischief, with more than 20 years of performing for audiences around the world.

Guests do more than watch: cards and coins end up in their own hands during close-up sets, small groups are caught out by quick quips and tight sleights during strolling magic, and full stage shows mix electrifying magic, impossible mind-reading and off-the-cuff comedy for rooms of up to 1,000. Alexander also builds custom presentations around a company's themes, products and guests of honour, and offers themed sets ranging from a macabre live FX experience to a look inside the world of card sharks and hustlers. He works weddings, birthdays, proposals, galas, casino nights and corporate events across the United States, including Detroit, New Orleans and NYC.
