

Alexx Alexander

"Touring illusionist"

Based in Las Vegas | Stage Illusion

Biography

Illusionist Alexx Alexander tours the world with a spectacular illusion show, a stage extravaganza designed to take audiences beyond illusion. It is a large-scale performance rather than a set of tricks, paced so that the astonishment keeps arriving.

Audiences of all ages are amazed and enchanted, and Alexx Alexander describes the result as a world class performance for four generations, which makes it a natural fit for theatres, galas and family occasions where the whole room needs to be held at once. For 2026 he has prepared a brand new production, «The Magic of Alexx Alexander 2.0», carrying the same inexplicable, fascinating quality that has taken his illusions around the world.
