## Biography

Called "the comedy king of the kid's set", Amazing Ken Levy has spent over 25 years building fast-paced comedy magic for children and the grown-ups with them. Bubbles fly from his head, chocolate chip cookies multiply, goldfish drawings come to life and a live rabbit appears, all with total audience involvement and zany comedy.

A long-time member of London's prestigious Magic Circle, Amazing Ken has performed at Broadway's Gershwin Theatre, The Friar's Club, Six Flags, Stand Up New York, Club Med resorts, Good Morning America and for the Kennedy family, and was a magic consultant for an Amazon TV commercial. The Daily News called him an "acclaimed family performance artist". Birthday parties are his speciality, while his close-up and walk around magic suits weddings, bar mitzvahs, communions and corporate parties.
