

Andrew Frost

"Sell-out Edinburgh Fringe card magician"

Close-Up Magic | Comedy Magic | Parlour Magic

Biography

Andrew Frost is celebrated as one of the best card magicians in the world, known for expert sleight of hand and a sharp sense of humour. His debut show, Cards on the Table, sold out at the 2024 Edinburgh Fringe and earned a write-up in the Guardian, before transfers to New York and London and a UK tour.

Onstage he moves from gambling sleight of hand to a finish that seems as if he never touched the cards, while The Greatest Card Magician in the World blends magic and comedy to tell how a woodwork teacher came to be described that way. He has played cosy New York venues, magic-exclusive stages in Paris, grand London theatres and a venue in Hastings, and suits personal showcases and corporate engagements.
