## Biography

Andy Gershenzon performs professionally as Andy Gersh, a New York City magician and mentalist serving the greater metropolitan area and events around the country. His official site highlights a Fool Us trophy won with technically demanding card magic and identifies him as a performer in Manhattan's Speakeasy Magick. It also promotes entertainment for corporate and private events and provides an event enquiry form. Andy Gersh should be retained as an alias because it is the prominent current brand on his site.
