

Antonio Martínez

"Barcelona mentalist behind The Time Traveler"

Comedy Magic | Mentalism | Stage Magic

Biography

Antonio Martínez is a Catalan illusionist and mentalist whose show The Time Traveler combines mentalism, magic, humor, hypnosis themes and audience participation. A current Fever listing places the production at La Off Barcelona and credits more than fifteen years of international television work, including Penn & Teller: Fool Us. The listing offers selectable Sunday performances in late 2026, but the available research output did not expose one stable date-specific ticket URL. FindMagic should approve the accented stage name and import the show source without inventing individual dates.
