

Ari Paul

"NBC-featured corporate comedy magician and mentalist"

Close-Up Magic | Comedy Magic | Corporate Events | Mentalism

Biography

Comedy magician and mentalist Ari Paul has been featured on NBC, ABC and FOX, and has performed for companies including Comcast, QVC and UGI Corp, as well as professional sports teams. A former educator, he builds his shows from storytelling, clean humor, audience participation and demonstrations of mind reading, with a track record of over 1000 performances.

Guests become part of the act rather than spectators: he draws colleagues into the tricks, jokes warmly with leadership, and leaves rooms that have laughed nonstop at his jokes. His strolling magic works the crowd close up, and he also presents interactive programs on decision-making, leadership and communication for businesses, associations and schools. A natural fit for corporate functions, appreciation events and fundraisers.
