

Arkadia

"Swedish theatrical magic with humor and warmth"

Based in Kvissleby | Close-Up Magic | Comedy Magic | Kids & Family | Stage Magic

Biography

Arkadia is the professional name of Swedish magician and variety artist Anders Sebring. His current show site presents a headliner theatre production and direct booking contact, while Sweden's Cirkuscentrum identifies Kvissleby as his base and describes festival, family, corporate and school programs. His repertoire combines stage magic, comedy, warmth and variety skills, and includes Penn & Teller: Fool Us and Swedish championship credits. FindMagic should approve the legal-name alias before import because both identities are strongly sourced.
