

Ash Pryce

"Scotland's premiere paranormal illusionist"

Close-Up Magic | Stage Illusion

Biography

Master of Macabre Magic and Scotland's Premiere Paranormal Illusionist, Ash Pryce specialises in supernatural-themed magic, from candlelit stage shows to close-up performances. He has been seen on BBC Scotland and STV, and is one of only a handful of "Bizzarist Magicians" working in Britain today.

His flagship show, Ghosts, draws on local stories of hauntings so every performance is different, blending mind reading, supernatural illusions, Ouija boards and ghost stories. He has played over 20 full runs at the Edinburgh Festival Fringe and performs in the vaulted cinema of the Banshee Labyrinth, Scotland's Most Haunted Pub. Credits include The Ghost Club, Museums and Galleries Edinburgh, Durham University and Capital Sci-Fi Con - a sell-out act, in The Wee Review's words, suited to private events across the country.
