Selected praise

"Seeing Asi Wind perform in New York was an extraordinary experience. He is an exceptional magician - not just technically brilliant, but incredibly engaging, funny, and completely in command of the room.

What makes the show so impressive is how personal and impossible the magic feels. You are not simply watching tricks, you feel pulled into the experience, and there are moments that leave you wondering how what you just saw could possibly have happened.

Asi is a remarkable performer and one of the very best magicians working today. If you have the opportunity to see him live, don't miss it."
