

Axel Adler

"Swedish visual magic, movement and surreal humor"

Close-Up Magic | Comedy Magic | Stage Magic

Biography

Axel Adler is a Swedish magician, innovator and consultant whose visual work combines object manipulation, movement, theatrical artifice and quietly surreal humor. His official site documents two Penn & Teller: Fool Us appearances and performances at the Magic Castle, FISM, international conventions and variety theatres. It also presents lectures, consulting and press materials, demonstrating an active international career. The site does not explicitly state current private-event availability, booking contact or home city, so those fields remain unclaimed.
