

Axel Hecklau

"Berlin close-up and parlour magic specialist"

Based in Berlin | Close-Up Magic | Parlour Magic | Stage Magic

Biography

Axel Hecklau is a professional Berlin magician with more than three decades in the art. His official site says close-up magic is now his specialty and offers private celebrations, corporate events, stage presentations, table-to-table work and performances in his Salon der Wunder. The contact page publishes a direct booking email and event-enquiry form. Hecklau's approach emphasizes genuine astonishment, theatre and story rather than comedy alone, and the site explicitly identifies Berlin, supporting FindMagic's home-base field.
