

Baffling Bill

"Corporate and party magician"

Based in Orion Township | Close-Up Magic

Biography

For over 30 years Baffling Bill the Magician has been amazing audiences, keeping up a schedule of over 500 shows a year for all venues. The act is built on magic tricks delivered with an endearing personality, and shared with an adorable little bunny named Gus.

One company's holiday party was extraordinary because of him: every guest in attendance was absolutely enthralled with the magic tricks, the host wrote, not to mention the personality behind them and the rabbit. Improving on a holiday party is hard to do, the note went on, and he did it. Bill performs for all venues, which makes the company celebration and the family gathering equally familiar ground.
