

Ben Levy

"Close-up magician and mind reader"

Close-Up Magic | Corporate Events | Mentalism

Biography

Ben Levy Magic blends close-up magic with mind reading for corporate events, parties and weddings. Guests describe a show that is "intelligent, thought provoking, and frankly amazing", delivered in a low key manner that belies real sleight-of-hand skill.

The style is personal: Ben engages small groups directly, and audiences spend the rest of the evening trying to work out what they have just seen. One guest called his showmanship "second to none". He has amazed a standing reception dinner party in Covent Garden, won over a corporate room full of data analysts, added a surprise show to a 70th birthday and kept a leaving party of twenty- and thirty-somethings entertained, performing both face to face and online.
