

Ben's Magic

"Magic Circle close-up and stage magician"

Based in London | Close-Up Magic | Corporate Events | MC / Event Host | Mentalism

Biography

Ben Hartley is a professional London magician whose work is built on premium close-up magic and mind reading, performed inches from the people watching rather than from a distant stage.

That makes the act a natural fit for weddings, corporate events and private parties, where the magic happens in small groups and hand to hand, with guests holding the cards and thinking of the words that somehow turn out to be already known. Alongside performing, Ben Hartley leads magic workshops for anyone who would rather learn how a secret works than simply be fooled by it. He performs across London and the South East.
