

BenTastic

"Disney cruise ship veteran, GTA magician"

Based in Toronto | Comedy Magic | Corporate Events | Kids & Family

Biography

BenTastic is a comedy magician who honed his craft at sea, performing for The Walt Disney Company onboard their Disney Cruise Ships, where he hosted game shows, performed magic, danced, and even shared the stage with Mickey Mouse. He met his wife, Magic Mel, there, and the pair have since entertained audiences from cruise ships to performances in England, and now in Canada.

Together they deliver fast-paced, highly interactive family magic built on baffling sleight of hand, hilarious comedy and plenty of audience participation, plus Magic Workshops where young apprentice sorcerers learn to perform their very own magic show. BenTastic also offers an adult magic show for staff, clients and partners, and the family show suits libraries, schools, summer camps, festivals, holiday parties and children's birthdays across the GTA.
