Biography

Bentley Burns is a Mississippi-based professional known as the Nice Guy of Magic. His official site describes more than twenty-three years of clean comedy magic for adult audiences, with appearances at corporate functions, colleges, private events and theatres. Burns offers both close-up interaction and larger stage entertainment and travels nationally, with particular emphasis on the Southeast. A public enquiry route supports active booking, although the site establishes Mississippi rather than one verified current city and does not expose a plain-text booking email.
