

Bill Blagg

"Touring theatrical illusionist"

Stage Illusion | Stage Magic

Biography

Theatrical magic and illusion are Bill Blagg's stock in trade. What he calls a one-of-a-kind brand of theatrical magic and illusion show has been touring the country for over 20 years, playing city after city under the banner of The Magic of Bill Blagg.

The show is built for a live audience rather than a card table, an evening of stage illusion that travels and lands in a new town each week. Away from the stage, Blagg's name appears on a range of official Bill Blagg magic sets for anyone who wants to try the craft at home. Two decades of continuous touring make the production a seasoned choice for venues programming an evening of stage magic.
