

Bobby Berosini jr

"Las Vegas Close-up Magician"

Based in Las Vegas | Close-Up Magic | Corporate Events

Biography

Close-up magic is where Bobby Berosini jr does his best work: sleight of hand at arm's length, performed in Las Vegas as a strolling street magic routine that moves from group to group and leaves each one with its own story.

He builds larger productions too. One show took over a stunning rooftop with a sparkling pool on the Las Vegas Strip, with an Elvis impersonator and dancers sharing the bill. Corporate events, stage shows and private parties all suit the act, and one client praised his communication throughout the planning as warmly as the performance itself, calling him an engaging performer onsite and a professional in every way.
