

Brad

"multi-faceted tradesmen in the entertainment industry"

MC / Event Host

Biography

Brad is a DJ, emcee and host who brings a personable, engaging presence to every room he works. A lifelong Skagit Valley resident, he spent 17 years in retail music, specializing in professional audio, before stepping in front of the microphone in 2012 to host local pub trivia nights.

Those trivia evenings led to invitations to emcee, host and DJ weddings, auctions, dances, fundraisers and parties, and that mix still describes his work today. During the week he can be found at his former high school, mentoring and assisting youth as a special education paraprofessional. Away from the booth, Brad is a husband and dad who spends his time with friends and family, his records, and the Seahawks and Mariners.
