## Biography

Brenton Keith has brought high-energy comedy and magic to Hawaii audiences for over 25 years. He started at 17 as the 'house magician' for three restaurants in L.A., went on to Wizardz Magic Theatre at Universal Studios and became a regular at the Magic Castle in Hollywood, studying the sleight-of-hand masters and the timing of the comedy acts. In his early 20s he was the opening act for Maui's largest Magic Show, then headlined his own full-length show for eight years.

Expect tons of laughs, live goldfish, fire, and friends, coworkers or the birthday boy or girl up on stage. Alongside the magic, Brenton Keith hosts casino nights with custom Blackjack, Poker and Craps tables and Gameshow Fanatics, a full-production mobile game show. He suits corporate events, weddings, birthdays and 1st Birthday Luaus.
