

Brian Brushwood

"Bizarre magic, comedy and modern media experiments"

Comedy Magic | Stage Magic

Biography

Brian Brushwood is an American magician, comedian and media creator whose long-running professional identity is Bizarre Magic. His stage work combines illusion, audience psychology, sideshow stunts and comedy, and his television record includes Penn & Teller: Fool Us. Brushwood later became widely known for educational and entertainment projects built around scams, social engineering, unusual experiments and collaborative online shows. His official legacy domain supports the performer identity, but current public materials do not clearly offer private-event booking, publish a booking contact or establish a current home base.
