

Brian Curry

"Washington DC magician and mentalist"

Based in Washington, DC | Close-Up Magic | Corporate Events | Mentalism

Biography

Dubbed "DC's Most Honest Con Man", Brian Curry blends magic, mentalism and comedy into an act built on interaction, with a knack for drawing a room in and keeping guests talking long after the event ends.

He performs his 5-star show live at the Capital Hilton, moves through crowds with strolling magic, and brings the Magic Bar - a station complete with its own lighting that turns close-up magic into a focal point of the room. Having performed on all seven continents, Brian entertains company parties, private events and cruise ship guests, and works throughout Washington DC, Maryland and Virginia, leaving audiences gasping, clapping and laughing.
