

Bruce Gold

"Clean comedy magic with veteran comic timing"

Comedy Magic | Stage Magic

Biography

Bruce Gold is a veteran comedian and magician whose official site promotes a clean blend of humor and hocus-pocus for live events. His career spans television, advertising and variety performance, including Penn & Teller: Fool Us, and the site actively invites planners to make him part of an event. Gold's strongest discovery tags are comedy magic, stage entertainment and emcee-style audience engagement rather than technical close-up alone. The current site supports booking availability but does not clearly publish a direct email, current home base or defined travel area.
