

Brynolf & Ljung

"Swedish magic duo blending psychology and illusion"

Close-Up Magic | Comedy Magic | Mentalism | Stage Illusion

Biography

Brynolf & Ljung are Swedish magicians Peter Brynolf and Jonas Ljung, an international duo whose work combines close-up magic, grand illusion, mentalism, psychology and social-hacking ideas. Their official site documents worldwide corporate and stage performance, television projects and a winning Penn & Teller: Fool Us appearance. It also publishes separate corporate and management contacts through Lifeline in Stockholm. Stockholm is verified as the agency location rather than necessarily both performers' residence, so FindMagic should use Sweden at country level without assigning a city.
