

Caesar

"Houston magician and mentalist"

Based in Houston | Close-Up Magic | Corporate Events | Mentalism

Biography

Caesar performs what he calls psychological magic, a blend of magic and mentalism built on mind reading, impossible coincidences and astonishing synchronicities, drawing on over 20 years of experience since he began at the age of 16.

Every performance is highly interactive, with audience members not just watching but becoming part of the show: close-up card magic happening inches away and in their own hands, or a stage set running 20 to 75 minutes for a theatre or conference crowd. He has performed at Super Bowl LIVE Houston and was selected for the FIFA Fan Festival as part of the FIFA World Cup 2026, and his theatrical production Connections (2024) sold out. Corporate events, private celebrations and large-scale public productions all suit him equally.
