"Award-winning Magic Castle magician"

Close-Up Magic | Corporate Events

Biography

Award-winning magician Caio Li had performed over 500 shows at Hollywood's Magic Castle by the age of 21, and his modernized approach to the art has accumulated millions of views across his social media platforms. He uses charisma and wit to create moments of genuine astonishment, with close-up sleight of hand one corporate event guest called "incredibly smooth".

His magic has been showcased in 15+ countries across North America, Europe and Asia, from college campuses to venture startups, and he tailors each performance to the client's intentions and goals. The result suits corporate gatherings and private celebrations alike: one company hired him for its annual Christmas party in 2022, then invited him back for 2023 and 2024.
