

Cameron the Magician

"Award-winning Perth close-up magician"

Based in Perth | Close-Up Magic

Biography

Award-winning magician Cameron the Magician specialises in close-up magic - pocket-sized miracles worked group to group and table to table, with no stage or table needed and next to no set-up.

His children's show is an award winner, with sell out shows across the Perth Fringe World season and the City of Belmont's Imaginarium, and his stage shows come in both children's and adult versions, running thirty minutes to an hour. Cameron has performed for some of the largest companies in Australia, the Governor of Western Australia, and thousands of others along the west coast. The roaming magic suits weddings during cocktail hour, corporate dinners between courses, Christmas parties, festivals, charity events and birthdays from 1st to 80th.
