

Cameron Young

"Edinburgh magician and host for standout celebrations"

Based in Edinburgh | Close-Up Magic | Comedy Magic | Corporate Events | Stage Magic

Biography

Cameron Young performs as The Scottish Magician, combining close-up sleight of hand, comedy, mind reading and energetic hosting. His official site actively offers weddings, corporate functions, after-dinner shows and stage presentations, with direct email, phone and enquiry routes. A current Magic Circle directory profile identifies Edinburgh as his base and records extensive wedding and corporate experience alongside Penn & Teller: Fool Us. Young is positioned for adult and all-ages social events rather than as a dedicated children's entertainer, a distinction his own booking material makes explicitly.
