

Carl Forman

"New York close-up magician and mentalist"

Based in New York | Close-Up Magic | Corporate Events | Mentalism

Biography

Carl Forman is a magician and mentalist based in New York City, specializing in close-up magic and mind reading at high-end events. His is a unique and modern approach: he moves through the room performing interactive magic and mind-reading for guests a few at a time, and the effects tend to be talked about long after the evening ends.

He has performed everywhere from living rooms for 10 to Citi Field and the top of Aspen Mountain, and works nationwide at private gatherings and corporate events for the world's leading brands. Cocktail hours, company parties and celebrations of any size all suit the act; after one MLB event, a client wrote that his talent and professionalism made the evening unforgettable.
