

Carl Mercurio

"New York corporate magician"

Based in New York | Close-Up Magic | Comedy Magic | Corporate Events | Kids & Family

Biography

Carl Mercurio traded a career as an executive at a leading consulting firm for life as a professional entertainer, and he has been performing magic for more than 25 years. The result is a New York-based act that knows the ins and outs of the corporate world: mind-bending illusions, clever presentations and tailored humour delivered with the ease of someone who has planned events as well as headlined them.

Guests meet the magic up close in strolling sets that spark conversation, or from their seats during a full stage show. Carl is a regular at Mohegan Sun Casino in Connecticut, City Winery in New York City, Smoke & Mirrors Magic Theater in Philadelphia and the Chicago Magic Lounge, and he appears in Magic in a Bottle at The Loft at City Winery. He suits corporate parties, conferences, company retreats and cocktail receptions.
