

# Cavan Booth

*"Edinburgh Fringe sell-out, Manchester magician"*

Based in Manchester | Close-Up Magic | Corporate Events | Mentalism

---

## Biography

Cavan Booth is one of the freshest acts in magic and mentalism, blending world-class magic with lively charisma. His is sleek, powerful, highly enjoyable close-up magic and on-stage mind reading - no corny jokes and no dusty card tricks - with the same aim whether the room holds ten people at an intimate gathering or a sold-out theatre.

After selling out his entire run at Edinburgh Fringe 2025, Cavan returns to the Fringe with The Honest Magician, and in Improv Magic he is pitted against insane sleight of hand challenges, random suggestions, unconventional props and ridiculous scenarios set by the audience themselves. Based in Manchester and available 365 days a year, he brings that impossible entertainment to weddings, corporate events and parties of every size.
