"Colorful family illusions blending magic, dance and theatre"

Based in Myrtle Beach | Kids & Family | Stage Illusion | Stage Magic

Biography

Charles Bach is a magician, dancer, illusionist and escape artist whose Wonders show blends theatrical magic with high-energy choreography, comedy and family-friendly storytelling. His official biography documents international resorts, casinos, cruise lines and a long-running underwater escape, while his schedule lists a resident Wonders Theatre in Myrtle Beach, cruise appearances and touring engagements. Bach also creates custom CEO appearances and theatrical effects. A direct email supports active bookings, although a resident theatre is not evidence that Myrtle Beach is his personal home city.
