Biography

Charlie Phillips is a New York City-based magician, mentalist and producer of magic, known for astonishing, bespoke performances built for exclusive events. He has played to audiences across the world, with multiple celebrated and sold-out runs at Hollywood's Magic Castle and the Chicago Magic Lounge, and regular appearances at Fontainebleau Las Vegas.

His approach treats magic as a vehicle for human connection: technical mastery paired with humour, aimed at moments that feel absolutely impossible and absolutely real. Andrew Huberman calls it "a truly amazing show", and Snoop Dogg calls it "straight-up magic". Beyond headlining, Charlie is a creative force behind Asi Wind's Inner Circle, the Off-Broadway phenomenon presented by David Blaine, a five-month West End run of Incredibly Human, and More Than Magic at the Sydney Opera House. He performs at corporate events and private celebrations.
