

Chris Congreave

"UK magician, visual magic with humour"

Close-Up Magic

Biography

Visual, eye-popping magic with humour is how Chris Congreave sums up his act, and it shapes the way he performs. The magic is made to be watched rather than explained: effects that land instantly and up close, with laughter arriving alongside the astonishment rather than after it.

Billed as one of the UK's top magicians, Chris works across the UK, mixing sleight of hand with a light, easy comic touch that keeps a room engaged from the first moment. It is magic that plays as well for a handful of guests standing together as it does for a larger crowd.
