

Chris Westfall

"Toronto family and corporate magician"

Based in Toronto | Close-Up Magic | Comedy Magic | Parlour Magic | Stage Magic

Biography

Magic and comedy in equal measure is the Chris Westfall trademark, a style that has made him one of the most popular magicians in Toronto and across Canada for corporate events and adult events.

At children's birthdays and school shows the performance is very interactive, with lots of laughing and screaming as Chris engages with the children, and parents love him too. Hosts describe a show that is first class, with the adults in stitches while the kids stay captivated from beginning to end. The same mix of magic and humour carries grown-up rooms just as well, whether close-up among the guests or on a stage. Chris performs at birthday parties, weddings, school events and family events, and for corporate events, conventions and fundraisers.
